

# SANCTUARY COMMITTEE

## RECRUITMENT OF VOLUNTEERS

Thanks again to the many members who filled out the Sanctuary Volunteer Form and indicated their willingness to take on specific tasks in the implementation of housing and support to a Convention Refugee under threat of expulsion from Canada.

Regretfully and with apologies, we now need to report that the 'filled out' forms have recently gone astray in the paper shuffle, leaving the office with a few dozen blank forms bearing no names and numbers. If you would be so kind as to complete a volunteer form for a second time, our committee will ensure that this doesn't happen again.

The checklist is as follows: I am willing to ...

1. Assist with renovations of a living space within our building, (including shower stall), contribute furnishings (a bed, television and other electronic devices, linens, cooking utensils etc.).
2. Provide practical assistance in meeting the day-to-day needs of our sanctuary guest (grocery shopping and personal items, doing laundry, running other errands, arranging for services like haircuts, occasional medical visits, and so forth).
3. Participate in fund-raising and financial management of the project.
4. Make continuing donations to the support of the project (over and above my own pledge to the congregation).
5. I have specialized knowledge in the area of immigration and refugee issues, and could help with legal advisors to resolve the claim.

Name \_\_\_\_\_ Telephone \_\_\_\_\_ email \_\_\_\_\_

For those of you who recall checking off #1 with the intention of assisting with renovations, we will be meeting with the Property and RE Committees on Sunday, December 13 at noon to determine the most feasible living space. Please contact Margaret Rao at (416) 658-0998 or [margaretrao@rogers.com](mailto:margaretrao@rogers.com) if you wish to attend.
