

‘Rethink Afghanistan’ CUSJ Social Justice Film Series

On Sunday, December 20 at 12:15 p.m. in Shaw Hall there will be a screening of director Robert Greenwald’s documentary ‘Rethink Afghanistan’. Interviews by former high-ranking military and CIA agents focus on the staggering costs of the war, from a monetary, military and human perspective. This video is a wake-up call and a rallying cry that ‘War is not the answer’. Let the dialogue begin.

Light refreshments will be served. All are welcome.
